

The Chaperon project introduces...

## ERA Research Club

A programme offering numerous educational opportunities  
in a variety of learning styles.

- Tuition on research methods
- One to one mentorship
- ERA Open lectures
- Bespoke workshops and courses
- Events and contests

A major part of the programme is based on demand – take the following survey and tell us what you need to learn! You can also become an ERA RC CHAMPION – a member of a focus group helping us to develop and evaluate our activities.
